Description	The Detective Chamber unites and represents the private investigators in Slovenia. It is the link between the detectives, government and public. It gives and takes away the licences, manages directory of members and supervises the work of members. With licensing regulator (Ministry of the Interior) defines the contents of private investigator exam, Code of ethics, prepares the modifications and completions of Private Detective Services Act.
Code of Ethics	Yes, available on web site
Directory of Members	Yes, available on web site
Disqualification	0
Disciplinary procedures
