Report of the 45. convention from the "Bund Internationaler Detektive e.V." Germany

At the 20. and 21. of May the annual main meeting of the BID took place in Regensdorf near Zürich (Switzerland)

The host of this convention was our colleague Heinz Iten (Switzerland)

The mottoes of the seminar, which was organized on 20.5.05, were technology for observations and a better picture quality in order to have better evidences at court.

Furthermore, there was a report about the entry to the Schengener agreement from the Switzers point of view.

The general meeting took place at the 21.5.05 with the topic training for detectives and additionally, an increase of the contribution fee up to EURO 100 was decided.

Apart from that, we just talked about association subjects.

The harmonic meeting ended with a gala evening with music and dance.

Best regards

President  
Lothar Kimm
