Comments on Association Activities, if any:

BuDEG has taken a leading role in establishing quality standards for investigative services, with the long-term goal of making the private investigator a government-recognized and regulated profession.

To lay the foundation for professional services, the BuDEG actively supports the ZAD (German Investigators Training Institute) and has developed an L2 and L3 training program that has been successfully audited by the IKD.

The BuDEG organizes regular meetings and workshops and regularly informs its members.
